

4CH Wireless Pan/Tilt NVR Kit

CCTV405

Our DIY plug and play, wireless Wi-Fi Pan/Tilt NVR camera kit is designed to give you all year-round surveillance of your property and vehicles.

Whenever a motion is detected, the camera sends an alert to your mobile of any activity on your property and with its automatic floodlights, it enables you to see clearly in the darker nights. Dial in at any time to view your property and vehicles for that peace of mind.
