## Push Button Key Safe C/W Monitored Swing Door

- **SECURE PUSH BUTTON KEY SAFE** – Heavy-duty outdoor key storage lock box with a user-programmable combination code for reliable, keyless access. Designed with a practical hinged lid for smooth opening and added weather protection.
- **EASY-TO-READ, EASY-TO-PRESS BUTTONS** – Large 7mm push buttons are finger-friendly and highly visible, making access quick and simple for all users. Supplied with a premium TPU weatherproof cover to protect and discreetly conceal the unit.
- **QUICK & SIMPLE INSTALLATION** – No professional fitting required. Includes a complete fixing kit and clear instruction manual for fast setup. The resettable combination allows you to change the code whenever needed for added security.
- **SPACIOUS INTERNAL STORAGE** – Generous capacity with an internal key hook, holding up to 6 keys securely. Ideal for house keys, office keys, or small fobs. The auto-locking mechanism ensures the safe secures automatically when closed.
- **PERFECT FOR MULTIPLE USES** – Ideal for care workers, children, cleaners, holiday lets, Airbnbs, tradespeople, offices, and rental properties. A secure, convenient solution for controlled access without hiding spare keys under mats or plant pots.
